

## PROTEAM SUPREME

Take care of  
your pool like  
a pro.

**ProTeam Supreme will change how you care for your pool.**

When you add our unique borate technology to your water, you will almost immediately see the difference! Your pool will become easier to maintain and your bathers will notice how the water looks and feels!

A once-a-season application is all it takes.

**Makes your water brilliant and sparkle in the sun**

**Gives water a soft, silky feel**

**Reduces eye and skin irritation**

**Inhibits scale**

**Helps maintain ideal pH levels for the entire season**

**Reduces chlorine normally required**

# The ProTeam Supreme System will help you care for your pool like a pro.

## TO START

### ADD PROTEAM SUPREME

EASY TO USE! After an initial dose that will last the entire pool season, water will immediately start to provide the benefits of Supreme. Keep up with the next steps below and water care will be a breeze!

## DAILY

### SANITIZE WITH PURE TABS

To keep water clean and clear, use Pure Tabs. Our high compression chlorinating tablets continuously release your daily sanitizer with no gummy binders or excessive odor.

## WEEKLY

### SHOCK WITH A PROTEAM SHOCK

The right shock for you pool can be based on your unique water conditions. Your local pool professional can suggest the best for you.

### CLEAN WATER WITH MICROFLOC CLARIFIER

Maintaining water's sparkle is easy with Microfloc Clarifier. Our unique formula, added in small doses, envelopes tiny particles in the pool water allowing the filter to more easily remove them from the pool water.
